Re: **BUSTR Report**
Date: February 23, 2026

PERSONNEL –

BUSTR is fully staffed at this time.

ADMINISTRATION -

Responsible Party Search Project

Each fiscal cycle, BUSTR receives USEPA grant money to conduct Responsible Party (RP) searches (historical property research to identify owners and operators that are responsible for petroleum releases). For the 2025-2026 fiscal year, in addition to 50 searches allotted per the biannual grant, Ohio is receiving funds to conduct an additional twenty (20) searches. The initial 50 responsible party searches are currently being conducted by the three vendors.

Customer Centric Activities/Service

BUSTR central office personnel are an in-office reporting structure. All customer inquiries/questions are being timely responded to by field and in-house staff. The corrective actions staff are successfully reviewing electronically submitted and hard copy submitted reports in a timely manner while the field inspection staff are performing operational compliance inspections of underground storage tank facilities. All public information requests are being timely provided to BUSTR's customers.
