AGENDA

Petroleum UST Release Compensation Board September 9, 2026 – 10:00 a.m.

- I. Chairman's Call to Order
- II. Approval of Minutes – June 10, 2026
- III. Selection of Chairman and Vice Chairman
 - A. Rules Committee Appointments
 - B. Finance Committee Appointments
 - C. Selection of 2027 Board Meeting Dates
- IV. BUSTR Report – Jason Anthony
- V. Financial Reports – Vijetha Deshineni
 - A. May, June, and July Financials
 - B. Fee Statement Statistics
- VI. Compliance and Fee Assessment Report – Cindy Stauffer
- VII. Claims Reports – Hannah Brame
- VIII. New Business
 - A. Appeal – Howard Silver
Appellant/Objector - H & T Chahal, LLC
Owner #: 24079 Eligibility ID: 0001
- IX. Certificates of Coverage Ratification – Cindy Stauffer
 - A. 2025 Certificates – Issued & Denied
 - B. 2026 Certificates – Issued & Denied
- X. Executive Session
- XI. Confirm Next Meeting Date – November 18, 2026 and Adjourn

Petroleum Underground Storage Tank Release Compensation Board

MINUTES OF THE 214th MEETING OF THE PETROLEUM UNDERGROUND STORAGE TANK RELEASE COMPENSATION BOARD June 10, 2026 – 10:00 a.m.

BOARD MEMBERS IN ATTENDANCE

Jim Rocco
Steve Bergman
Jessica Biggs
Scott Fleming
John Gordon
Ben Miller
Dan Ridi

EX-OFFICIO MEMBERS IN ATTENDANCE

Sam Smith, representing Director John Logue, Ohio Environmental Protection Agency
Jason Anthony, representing Director Sheryl Creed Maxfield, Ohio Department of Commerce
Scott Adams, representing Robert Sprague, State Treasurer of Ohio

OTHERS IN ATTENDANCE

Starr Richmond	Executive Director, PUSTRCB
Jonathan Maneval	Assistant Director, PUSTRCB
Vijetha Deshineni	Chief Fiscal Officer, PUSTRCB
Cindy Stauffer	Compliance Supervisor, PUSTRCB
Hannah Brame	Claims Supervisor, PUSTRCB
John Hickey	Fiscal Specialist, PUSTRCB
Beth Fligner	Assistant Attorney General
Shawn Cochran	State Treasurer's Office
Ryan Elliott	Vorys, on behalf of OEAC
Bethany Weeder	Atlas Technical Consultants
Chris O'Neil	Crawford Environmental Services, LLC
Dan Adams	Weaver Consultants Group

Minutes submitted by:

Jonathan Maneval
Assistant Director

Call to Order:

Chairman Rocco convened the two hundred-fourteenth meeting of the Petroleum Underground Storage Tank Release Compensation Board on Wednesday, June 10, 2026.

The following members were in attendance: Jim Rocco; Steve Bergman; Jessica Biggs; Scott Fleming; John Gordon; Ben Miller; Dan Ridi; Sam Smith, representing Director John Logue, Ohio Environmental Protection Agency; Jason Anthony, representing Director Sheryl Creed Maxfield, Ohio Department of Commerce; and Scott Adams, representing Robert Sprague, State Treasurer of Ohio.

The following members were not in attendance: Larry Burks and Brett Hillyer.

Minutes:

Chairman Rocco asked if there were any comments or questions regarding the minutes from the March 11, 2026 Board meeting. There were none. Mr. Gordon moved to approve the minutes, and Vice-Chairman Fleming seconded. A vote was taken and Ms. Biggs and Messrs. Fleming, Gordon, Miller, Ridi, Smith, Anthony, Adams, and Rocco were in favor. Mr. Bergman abstained. The minutes were approved as presented.

BUSTR Report:

Chairman Rocco called upon Jason Anthony, Bureau Chief, to present the Bureau of Underground Storage Tank Regulations' (BUSTR) report.

Mr. Anthony reported that BUSTR currently has two vacant full-time positions: an inspector position in Southeast Ohio and an Environmental Specialist 2 position for Southeast Ohio. He stated that a third vacancy would occur upon the retirement of Jim Feeman, East Region Supervisor for field staff. Mr. Anthony noted that Mr. Feeman's last day with BUSTR would be the next day.

Mr. Anthony reported that BUSTR continues to conduct responsible party searches. He stated that additional funding allowed BUSTR to complete 20 additional searches, with approximately six more approved by fiscal staff. He reported that, for the year, a total of 84 responsible party searches had been completed or initiated. Two vendors had completed all assigned searches, and nine searches remained with one vendor. Mr. Anthony stated that the additional search efforts were funded through supplemental U.S. Environmental Protection Agency (U.S. EPA) Leaking Underground Storage Tank (LUST) program.

Mr. Anthony presented BUSTR's April 2026 statistics. He reported that 42 No Further Action (NFA) determinations were issued during the month, bringing the total issued since October 1, 2025 to 245. He further reported that 1,360 report reviews were completed during April 2026, for a total of 8,963 since October 1, 2025. He reported that 228 on-site inspections were conducted during April 2026. Since the beginning of the current three-year inspection cycle on August 1, 2025, a total of 1,936 on-site inspections had been completed. Of the inspections conducted during April 2026, 178 had identified violations, three resulted in assessed penalties, and 1,479 inspections conducted during the current inspection cycle had identified violations. Mr. Anthony also reported that, since August 2025,

11 sites had been referred for fine or penalty assessment, including the issuance of COSAs (Compliance Orders and Settlement Agreements) or referrals to the Attorney General's Office.

Chairman Rocco asked what the most common compliance violations observed by BUSTR were. Mr. Anthony responded that leak detection violations are the most common. He explained that many violations involve low fuel levels that prevent automatic tank gauging systems from completing required tests and result in inconclusive results. He stated that common piping-related violations include failure to conduct annual line leak detector testing and other required leak detection testing. Mr. Anthony also noted that BUSTR continues to identify paperwork-related violations, including incomplete walkthrough inspection forms, and that BUSTR staff work with owners to help them understand and complete required documentation. He emphasized that many violations involve failure to conduct the appropriate test rather than failure of the equipment itself, noting that automatic tank gauging systems generally identify issues accurately or indicate when testing cannot be completed due to insufficient fuel levels.

Mr. Anthony reported that BUSTR submitted its grant application for the corrective action section and expects funding to be allocated by the end of June or early July 2026. He stated that the UST grant funding for release prevention had already been received for the coming year, which occurred earlier than usual. Mr. Anthony explained that Ohio is the only state in Region 5 operating on a state fiscal year rather than the federal fiscal year for purposes of funding allocation, making Ohio the first state in the region to receive notification regarding funding levels.

Mr. Anthony reported that BUSTR continues to complete required OSHA and Department of Commerce training. He stated that BUSTR provided continuing education to fire safety inspectors in April 2026 and will continue outreach to customers and delegated fire departments. He noted that delegated fire departments have experienced challenges adapting to the OTTER Engage platform, particularly when administrative responsibilities had been assigned to Fire Chiefs with limited availability to perform those duties. Mr. Anthony reported that BUSTR has been working with individual fire departments to assist their staff with access to the platform. He stated that OTTER Engage went live on July 28, 2025, and that BUSTR continues to resolve minor implementation issues, including items related to sponsors of training and related approval letters.

Mr. Anthony reported that, as of May 31, 2026, there were 21,394 registered underground storage tanks (USTs), 3,407 registered owners, and 6,926 registered facilities. He noted that the data reflects an increase in owners and tanks and a decrease in facilities. Mr. Anthony further reported that there were 2,243 active releases, 1,916 active closures, and 33,373 historical program NFA determinations, which he stated ranked second nationally behind California. He reported that, for the federal fiscal year beginning October 1, 2025, a total of 268 NFA determinations had been issued as of May 31, 2026. He also reported that the release prevention inspection cycle began August 1, 2025, and that 2,102 new federal inspections and 1,295 re-inspections had been completed as of May 31, 2026.

Financial Reports:

Chairman Rocco called upon Vijetha Deshineni, Chief Fiscal Officer, to present the financial reports.

Audit Update

Ms. Deshineni said the Auditor of State released the fiscal year 2025 audited financial statements on May 19, 2026.

February, March, and April Financials

Ms. Deshineni stated that the February, March, and April financial reports were emailed to each Board member. She noted that fiscal year 2026 annualized revenue and expenses would be addressed during the Operating Budget discussion and therefore, would not be reviewed separately. Ms. Deshineni asked whether there were any questions or comments regarding the February, March, or April financial reports and there were none.

Capital Budget

Ms. Deshineni reported that the recommended Capital Budget was provided with the Board meeting materials. She stated that the Capital Budget presents actual expenditures for fiscal year 2025, budgeted and annualized expenditures for fiscal year 2026, and the recommended budget for fiscal year 2027. She reported that furniture and equipment was budgeted at \$5,000 for fiscal year 2026, with no expenditures incurred during the year, and that staff recommends maintaining \$5,000 for fiscal year 2027 to ensure funds are available, if needed.

Ms. Deshineni reported that data processing and electronics was budgeted at \$120,000 for fiscal year 2026, with annualized expenditures of \$68,522. She stated that those expenditures included iPads for Board meetings, two Dell Pro Max towers for scanning, document management project development costs, the Automated Clearing House (ACH) module in the STARRS (Statistical Tank and Reimbursement Records System) database, and the purchase and installation of a WatchGuard firewall and a network switch. She reported that \$120,000 is recommended for the data processing and electronics line item for fiscal year 2027. She explained that funding approved for fiscal year 2026 was carried forward to fiscal year 2027 for projects that could not be completed during the year, including development of the ACH module in STARRS, which will allow the Fund to pay vendors directly by ACH transfer; continuation of the on-premise document management software, Digitech PaperVision Enterprise; engagement of a Digitech-authorized partner to assist with development and implementation of the eForms and Workflow modules; and the purchase of a file server and miscellaneous information technology equipment and software costing more than \$500, if needed.

Chairman Rocco stated that the recommended fiscal year 2027 budget largely mirrors the fiscal year 2026 budget because several anticipated projects are expected to carry over into the next fiscal year. He noted that staff hope to complete the remaining work by the end of fiscal year 2027, particularly with respect to the document management system and ACH functionality. Chairman Rocco further stated that the eForms and Workflow modules are the final components needed to complete the data management system and will support the Board's use of digitized records going forward.

Operating Budget

Ms. Deshineni reported that the Operating Budget presents annualized actual expenditures for fiscal year 2026, the approved fiscal year 2026 budget, and the recommended budget for fiscal year 2027. She reviewed the operating income line items. Ms. Deshineni reported that tank revenue was budgeted at \$8.34 million for fiscal year 2026 based on 20,280 USTs. She stated that, with projected June

revenues net of refunds, fiscal year 2026 tank revenue is expected to be approximately \$8.83 million. She reported that anticipated tank revenue for fiscal year 2027 is \$8.47 million. She stated that the fees for the \$55,000 and \$11,000 deductibles are \$350 and \$550 per tank, respectively, and that the fiscal year 2027 tank revenue estimate assumes fees will be paid for 20,580 USTs, with 25.5% of all USTs assured at the reduced deductible. She noted that the assumption of 20,580 USTs represents an increase of 300 tanks over the prior year's assumption. Ms. Deshineni further reported that, in April, the Board billed 21,063 USTs for program year 2026 fees, including adjustments for all UST removals and installations provided as of the date of the annual mailing, compared with 20,921 USTs billed for program year 2025. She stated that, based on historical payment data, approximately 98% of billed USTs are paid within the program year for which they are billed. Ms. Deshineni reported that projected property transfer fees are \$120,000, including a portion assessed during fiscal year 2026 but expected to be paid in fiscal year 2027. She stated that prior-year fees collected, net of refunded amounts, are projected at \$100,000. She reported that fiscal year 2026 actual interest income is approximately \$82,000 above budget, primarily due to agency bonds that matured at lower interest rates and the funds were reinvested at higher rates. She stated that anticipated interest income for fiscal year 2027 is \$998,000, based on an estimated 3.80% yield in STAR Ohio (State Treasury Asset Reserve of Ohio) and earnings from investments in U.S. Treasuries and U.S. Agency bonds. She noted that the interest rate assumptions were recommended by Mr. Adams from the Treasurer's Office. Ms. Deshineni reported that miscellaneous income received for fiscal year 2026 totaled \$970 and consisted of payments for printing and copying public records requests and cash rebates. She stated that the amount budgeted for miscellaneous income for fiscal year 2027 remains at \$1,000. Ms. Deshineni concluded that actual total income was approximately \$565,000 above the fiscal year 2026 budgeted amount of \$9.27 million.

Ms. Deshineni reported that fiscal year 2026 actual claims expense is anticipated to be approximately \$6.95 million. She stated that she would request, at the conclusion of her presentation, that the Board obligate \$8 million for payment of claims in fiscal year 2027.

Ms. Deshineni reviewed the operating expense line items. She reported that salaries were \$99,000 below the budgeted amount for fiscal year 2026 and that the recommended fiscal year 2027 salary budget is \$1.91 million, consistent with the biennial budget request and based on a full staff of 16 employees. Mr. Gordon inquired whether the budget reflected an increase in the number of employees. Ms. Deshineni responded that it did not, explaining that the budget is based on 16 full-time employees. Chairman Rocco noted that a portion of the difference between the 2026 and 2027 budgets is attributable to anticipated salary increases. Ms. Deshineni stated that temporary services expenses exceeded the fiscal year 2026 budget due to the use of multiple temporary employees to prepare documents for digitization. A fiscal year 2027 temporary services budget of \$40,000 is recommended to assist with organizing files before scanning them into the PaperVision Enterprise document management software. Ms. Deshineni reported that fiscal year 2026 rent expense was \$166,000, which was \$1,800 above budget, due in part to an anticipated 4% increase in operating expenses beginning in December 2025. She said a reconciliation of the common area maintenance expenses for January through December 2025 resulted in \$3,329.04 being billed in March 2026. She stated that, under the six-year lease renewed in fiscal year 2024, the fiscal year 2027 rent budget is \$170,000, including an estimated 4% increase in operating expenses beginning in December 2026. She reported that office

supplies expenses were \$6,000 below budget and that the recommended fiscal year 2027 budget remains at \$20,000 for standard office supplies, offsite storage, and information technology hardware or software costing less than \$500. She stated that printing and copying expenses were \$1,000 below budget for fiscal year 2026 and that the recommended fiscal year 2027 budget remains at \$10,000.

Ms. Deshineni reported that legal and professional expenses were consistent with the fiscal year 2026 budget, with annualized costs of \$295,076. She stated that the recommended fiscal year 2027 budget for legal and professional expenses is \$325,000. She explained that this line item includes Assistant Attorney General legal services, annual audit costs, Attorney General and Special Counsel collection costs for delinquent accounts, the Software Engineering LLC agreement for maintenance of the STARRS database, annual maintenance costs for document management and scanning software, workflow and annual subscription costs, the ACCUNET contract for IT (information technology) monitoring services, the actuarial evaluation for fiscal year-end 2026, and other miscellaneous professional services as needed. Ms. Deshineni reported that fiscal year 2026 travel expenses totaled \$19 and that the recommended fiscal year 2027 travel budget was \$1,500, a decrease of \$1,000 from the fiscal year 2026 budget. She noted that most conference-related travel expenses are reimbursable and noted that Board members may claim mileage for attending Board meetings.

Ms. Deshineni reported that employee expenses for fiscal year 2026 totaled \$223 and that the recommended fiscal year 2027 budget remains at \$1,000 for refreshments at Board meetings and lunches at committee meetings, if needed. She reported that telephone expenses were \$3,400 below budget and that the recommended fiscal year 2027 budget remains at \$15,000 for web access, spam and virus filtering, phone service, and third-party website hosting. She stated that postage expenses were \$900 below budget and that the recommended fiscal year 2027 postage budget is \$40,000, representing a 5% increase from the prior year. She noted the expenses include the annual fee statement mailing, which is sent by certified mail as required by statute. Ms. Deshineni reported that actual depreciation expenses were approximately \$9,000 below budget and that the recommended fiscal year 2027 depreciation budget is \$35,000, including six months of depreciation for the document management project, the ACH module in STARRS, and the PaperVision Enterprise eForms and Workflow modules. She concluded that fiscal year 2026 operating expenses were \$108,000, or 4.5%, below budget and that the recommended fiscal year 2027 operating expenses total \$2,567,592, approximately \$178,000 above the prior year's budget due to increases in personnel costs, temporary services, and legal and professional expenses.

Mr. Anthony noted that, due to federal budget uncertainty, U.S. EPA required BUSTR to revise its work plan to include conference travel costs in the event reimbursement through NEIWPCC (New England Interstate Water Pollution Control Commission) is unavailable. Chairman Rocco suggested increasing the proposed travel budget to account for potential non-reimbursed conference travel. He noted that travel costs may range from \$1,500 to \$2,000 per person, depending on the length of the conference. Board members discussed the timing of the National Tanks Conference, which was held the prior year and occurs on a three-year cycle, and the likelihood that only the EPA Region 5 UST Programs All-States Meeting would occur during the fiscal year. Chairman Rocco suggested increasing the proposed fiscal year 2027 travel budget by \$1,500. The Chairman stated that the Board could first consider a motion to increase the proposed travel line item and then vote on the Operating Budget as

adjusted. He then requested a motion to increase the proposed fiscal year 2027 travel budget from \$1,500 to \$3,000 and to adjust the Operating Budget accordingly. Mr. Bergman so moved, and Vice-Chairman Fleming seconded. A vote was taken, and all members voted in the affirmative. The motion passed.

Approval of the Capital Budget

Ms. Deshineni requested that the Board approve the recommended fiscal year 2027 Capital Budget as proposed and the Chairman requested a motion to approve the Capital Budget. Mr. Miller so moved and Mr. Ridi seconded. A vote was taken, and all members voted in the affirmative. The motion passed.

Obligate Money for the Payment of Claims

Ms. Deshineni requested a motion to obligate \$8 million for the payment of claims during fiscal year 2027. Mr. Ridi so moved and Vice-Chairman Fleming seconded. A vote was taken, and all members voted in the affirmative. The motion passed.

Approval of the Operating Budget

Chairman Rocco requested a motion to approve the Operating Budget as amended. Mr. Bergman so moved and Vice-Chairman Fleming seconded. A vote was taken, and all members voted in the affirmative. The motion passed.

Actuary Contract

Ms. Deshineni reported that actuarial services are proposed to prepare the Estimated Unpaid Claims Liability for fiscal year 2026. She stated that, beginning with the fiscal year 2018 audit, the Board utilized a third-party actuarial firm to evaluate claims placed on hold due to litigation. Beginning with fiscal year 2022, both claims on hold and claims not on hold have been evaluated to estimate unpaid claims liability, and those estimates are incorporated into the year-end financial statements presented to the auditors. Ms. Deshineni reported that the range of fees for the fiscal year 2026 actuarial analysis is \$34,500 to \$37,500, plus travel and related fees, if any, representing an increase of \$1,500 from fiscal year 2025. She requested a motion to authorize the Chairman to enter into an agreement with Milliman, Inc. to develop the estimated claim liability as of June 30, 2026, in an amount not to exceed \$37,500, plus travel and related fees, if any. Mr. Ridi so moved, and Vice-Chairman Fleming seconded. A vote was taken, and all members voted in the affirmative. The motion passed.

Hearing Officer's Contract Renewal

Ms. Deshineni reported that Mr. Silver agreed to continue serving under contract as the Board's hearing officer for the next fiscal year under the same terms as fiscal year 2026. She stated that the terms include an hourly rate of \$150 as an independent contractor, a minimum of five hours during the term of the agreement, no obligation to provide more than 300 hours, and a maximum of \$3,410 per appeal unless otherwise agreed. She noted that Mr. Silver's last rate increase was effective in July 2019. Ms. Deshineni requested a motion to authorize the Chairman to enter into an agreement with Howard Silver for the continuation of hearing officer services for the period of July 1, 2026 through June 30, 2027. Mr. Gordon so moved, and Ms. Biggs seconded. Chairman Rocco stated that Mr. Silver continues to do an excellent job for the Board and noted that the Board has historically had to encourage him to accept periodic rate increases. The Chairman asked whether there was any further discussion. Hearing none, a vote was taken, and all members voted in the affirmative. The motion passed.

Assistant Attorney General Memorandum of Understanding

Ms. Deshineni reported that the proposed fiscal year 2027 Memorandum of Understanding (MOU) for legal services to be provided by the Attorney General's Office includes a not-to-exceed amount of \$125,310. She stated that the amount includes salary and fringe benefit costs associated with 35% of the Assistant Attorney General's time and 35% of the paralegal's time, consistent with the prior fiscal year. She reported that indirect costs related to support services, including telephone, supplies, and office space, increased from 17.75% to 18.62%, representing a 0.87% increase. She further reported that salaries increased by 3%, and fringe costs decreased from 47.27% to 45.15% of salaries. Ms. Deshineni noted that the legal assistant position changed, resulting in an anticipated fiscal year 2027 hourly rate of \$37.12 compared with the fiscal year 2026 hourly rate of \$39.01. She stated that the language of the agreement is the same as the fiscal year 2026 MOU, but the not-to-exceed amount represents a slight decrease of 0.722% from fiscal year 2026. Ms. Deshineni requested a motion to authorize the Chairman to execute the MOU with the Attorney General's Office for the continuation of legal services in an amount not to exceed \$125,310 for the period of July 1, 2026 through June 30, 2027. Mr. Gordon so moved, and Vice-Chairman Fleming seconded. A vote was taken, and all members voted in the affirmative. The motion passed.

Database Consulting Contract

Ms. Deshineni presented a request to renew the Board's consulting and maintenance agreement with Software Engineering LLC for the STARRS database. She explained that the database is used to manage tank owner accounts, process claims, issue warrants, and prepare monthly financial statements. She stated that the annual maintenance retainer provides for ongoing support, including assistance with annual fee statements and claim liability studies, report development and modification, specialized SQL queries, updates resulting from procedural or regulatory changes, and installation and troubleshooting of the database on client workstations. She noted that added work involves development of the database or internet-related software requested by the Director that requires more than 20 hours to complete and must be authorized through a Change Order Form.

Ms. Deshineni reported that the proposed agreement is for a two-year term, from July 1, 2026, through June 30, 2028, with a monthly retainer increasing from \$1,650 to \$1,800 (9%) and the hourly rate for added work increasing from \$121 to \$130 (7.4%). She noted that the agreement permits annual increases of up to 10%. She requested the Board authorize the Chairman to execute the agreement with Software Engineering LLC in an amount not to exceed \$43,200, with added work billed at \$130 per hour. Mr. Gordon asked whether the agreement is typically executed for a two-year term. Ms. Deshineni responded that the Board began using a two-year agreement in June 2023 after previously using one-year agreements. She stated that John Hull, a former Board member, recommended the change. Chairman Rocco explained that the Board adopted a two-year contract term to provide continuity for ongoing database development projects, which generally require more than one year to complete. The Chairman asked if there were any additional questions. Hearing none, he requested a motion to authorize the Chairman to execute the agreement. Mr. Bergman so moved and Vice-Chairman Fleming seconded. A vote was taken, and all members voted in the affirmative. The motion passed.

Fee Statement Statistics

Ms. Deshineni stated that the Fee Statement Statistics for program year 2026 were provided with the Board meeting materials.

Ms. Deshineni reported that program year 2026 fee statements were issued on April 29, 2026, and that \$8.38 million was billed to 3,067 owners for 21,063 USTs. She stated that this compares with 3,095 owners and 20,921 tanks billed for program year 2025. As of May 31, 2026, per-tank fees collected totaled \$2.58 million, or 30.8% of the budgeted amount. She reported that collections for program year 2025 during the same period totaled \$3.15 million, meaning program year 2026 collections were approximately \$568,000 less than collections received during the same period of the prior year. She stated that the decrease was primarily due to fewer medium-sized owners making payments by this point in the program year. Ms. Deshineni further reported that, between the fee statement mailing and May 31, 2026, \$8.47 million had been collected for program year 2025 fees and approximately \$309,000 had been collected for prior-year fees, net of refunds paid totaling \$144,000.

Ms. Deshineni reported that, for program year 2026, 16,002 tanks were billed at the standard deductible, and 5,061 tanks were billed at the reduced deductible. As of May 31, 2026, fees had been paid for 3,967 tanks at the standard deductible and 2,120 tanks at the reduced deductible, for a total of 6,087 tanks paid by 1,251 owners. She stated that this compares with 7,577 tanks paid by 1,389 owners during the same period of the prior year. As of May 31, 2026, approximately 9.9% fewer owners and 24.5% fewer tanks had been paid compared with the same prior-year period. Ms. Deshineni further reported that, for program year 2025, fees had been paid by 2,886 owners for 20,582 tanks through May 31, 2026, and that the amount would increase before June 30, 2026.

Ms. Deshineni reviewed actual versus projected collections. She reported that the \$2.58 million collected to date represented [30.48%] of the \$8.47 million budgeted for program year 2026. She stated that the 6,087 tanks with fees paid for program year 2026 represented 29.6% of the 20,580 tanks budgeted to apply for certificates during the program year.

Chairman Rocco questioned whether the lower collections could indicate a broader trend. Mr. Gordon agreed that he had the same concern. Mr. Anthony stated that BUSTR was experiencing a similar issue and noted that payments are due July 1. Chairman Rocco observed that reduced-deductible payments were approximately consistent with the prior year, while standard-deductible payments were significantly behind. He stated that the Board would continue to monitor the issue.

Compliance and Fee Assessment Report:

Chairman Rocco called on Cindy Stauffer, Compliance Supervisor, to present the compliance and fee assessment report.

Ms. Stauffer reported that the totals in the program year 2025 column reflect information from the start of the program year, July 1, 2025, through May 31, 2026, unless otherwise noted. She stated that owners may be eligible for refunds of Financial Assurance Fund fees for various reasons, including payments made for aboveground or otherwise exempt tanks, removed tanks, duplicate payments, and the difference in the per-tank fee amounts. She reported that there are currently 2,562 pending refunds

totaling \$1,451,141, representing refunds due to 513 owners, noting that multiple refunds may be associated with a single owner. She further reported that refunds totaling \$144,328 had been issued to 80 owners since July 1, 2025.

Ms. Stauffer reported that \$44,775 of pending refunds had been applied to offset outstanding tank and late fees during the current program year. She noted that this typically occurs when an owner is due a refund for one program year but owes fees for a different year. She further reported that, since July 1, 2025, fees collected by the Attorney General's Office and Special Counsel, net of collection costs, totaled \$106,000. She stated that 231 accounts totaling \$736,900 had been certified to the Attorney General's Office for collection. Ms. Stauffer said the staff is in the process of finalizing the next certification for submission to the Attorney General's Office and anticipates submitting it in the near future.

Ms. Stauffer reported that, as of May 31, 2026, one Order Pursuant to Law was under appeal. She explained that no sooner than 60 days after the assessment of fees, if payment is not received, an order is issued directing the owner to remit payment and assessing late fees. She said information to support the appeal is expected. Ms. Stauffer further reported that two Determinations to Deny a Certificate of Coverage are currently under appeal. She stated that information has been received and is under review for one appeal, and the other appeal was recently withdrawn.

Ms. Stauffer stated that currently there are no Ability to Pay Applications pending review. The Ability to Pay program allows former UST owners experiencing financial difficulty to apply for and receive a determination of their ability to pay delinquent fees.

Ms. Stauffer reported that, as of June 2, 2026, Certificates of Coverage had been issued to 2,779 owners for program year 2025. She stated that 34 Applications for Certificates of Coverage are currently being processed. She further reported that, for program year 2025, there are 10 owners with unresolved Pending Denials and 112 owners with unresolved Determinations to Deny a Certificate of Coverage.

Ms. Stauffer reported that there are 31 owners with uncashed refund checks totaling \$41,058. She stated that \$26,550 of this amount represents unclaimed funds and is held in the unclaimed trust account for five years, after which unclaimed funds are returned to the unobligated account balance. She reported that the remaining \$14,508 is in payment-pending status. Ms. Stauffer further reported that additional information has been requested from 12 owners with potential refunds totaling \$67,596. She stated that a second request for information will be sent to these owners. She said 43 owners with \$68,140 of possible refunds have not responded to the final more information letters. She noted that a final review of these refunds will be conducted and, if possible, a partial refund will be issued, with any remaining undocumented amounts reapplied to the owner's account.

Claims Reports:

Chairman Rocco called on Hannah Brame, Claims Supervisor, to present the claims reports.

Ms. Brame reported, as of June 1, 2026, the total maximum liability of in-house open claims was approximately \$6.7 million. She stated that using the claim payout ratio of 74%, which is the average ratio over the past five years, the anticipated payout of unpaid in-house claims is about \$4.96 million.

Ms. Brame reported that, as of June 1, 2026, a total of 439 claims with face values above the deductible amount were pending review. She noted that claims staff are currently reviewing claims received prior to September 2025. She further reported that, as of June 1, 2026, seven claim determinations were under appeal, pertaining to four release sites, with multiple appeals associated with two sites. She stated that supporting information has been received and is under review for these appeals.

Mr. Ridi inquired about the difference between the average gross value per release and the average net value per release. Ms. Brame explained that the difference is generally attributable to the applicable deductible. She stated that the gross value represents the face value of the amount submitted, while the net value reflects the submitted amount less the deductible.

Ms. Brame reported that, as of June 1, 2026, a total of 411 claim applications had been received, and 501 claim determinations had been issued. She noted that six determinations involved claims below the deductible amount that had received NFA status and therefore were not eligible for payment. She reported that the average payout per claim application for program year 2025 is \$12,607 and that the average claim payout was 64.4% of the net claim value (face value less the deductible). She further reported that the average percentage of claim face value disallowed was 29.4% and stated that staff continues to monitor the percentage of costs being disallowed, as discussed in previous Board meetings.

Chairman Rocco asked whether the decrease in the percentage of claim costs reimbursed, including the 64.4% average payout reported for program year 2025, was attributable to settlement agreements. Ms. Brame responded that settlement agreements were a contributing factor. She stated that other factors discussed at previous Board meetings included the impact of major oil claims, changes in the consultants performing work, and a recent increase in costs disallowed for items such as new tank installation, repairs, site upgrades, and other costs not necessary for or associated with corrective action. Chairman Rocco stated that he was particularly concerned about the increase in disallowed costs because the Fund had made progress in reducing disallowances over time.

Ms. Biggs asked whether consultants and owners routinely submit costs that are not eligible for reimbursement, resulting in staff excluding those costs during the claims review process. Ms. Brame explained that staff encourage consultants and owners to submit all available cost information so staff can determine whether the costs are reimbursable. She noted that, when corrective action costs such as disposal of impacted soil are intermingled with non-reimbursable costs, such as tank removal, staff review the information and determine which costs may be paid. She stated that this process can result in a higher percentage of costs being disallowed while also helping ensure that all reimbursable costs are identified. Ms. Biggs observed that a higher disallowance percentage may not necessarily be negative if the overall submission includes a larger amount of potentially reimbursable costs. Ms. Brame agreed. Chairman Rocco stated that UST system replacements often present the greatest challenge because some work may be related to corrective action, while other work may involve upgrades such as replacing islands, installing new piping, or improving areas around the tank, which would be disallowed.

Ms. Brame reported that, as of June 1, 2026, a total of 82 eligibility applications had been received for program year 2025 and 74 eligibility determinations had been issued. She stated that of the 74

determinations issued, 48 were approved and 26 were denied. She reported that reasons for denial included five for no release demonstrated, nine for late filing of the application, three for lack of a valid Certificate of Coverage, four for tanks being out of compliance with BUSTR's rules at the time of the release, and five for no corrective actions being required by BUSTR. Ms. Brame further reported that, as of June 1, 2026, 163 eligibility applications were open. She noted that 18 applications were unreviewable pending receipt of required reports and that additional information had been requested for 19 applications. She also reported that, as of June 1, 2026, five eligibility determinations were under appeal. She said additional information was received and is under review for four appeals and a hearing was held for one appeal.

Ms. Brame reported for program year 2025 a total of 106 cost pre-approval requests were received. She said the cost pre-approval requests included 22 requests for new remedial action plans (RAPs); 41 requests for annual costs for RAPs or free product recovery; five requests for an interim response action (IRA) requiring BUSTR approval; 23 requests for either Tier 3 or monitoring/calibration plans; four cost exceedance notifications; and 11 voluntary requests for cost pre-approval. She said as of June 1, 2026, a total of 103 cost pre-approval notifications had been issued and 29 cost pre-approval requests were pending review.

New Business:

Hardship Application

Chairman Rocco called on Vijetha Deshineni, Chief Fiscal Officer, to present the hardship application.

Ms. Deshineni explained that the Board's rule 3737-1-08 provides for an owner experiencing financial hardship to apply for hardship status with the Fund. She said granting hardship status allows for the accelerated review of the claims submitted by the owner. She noted that granting hardship status does not increase the amount of reimbursement to the tank owner. She stated that accelerating the review of a claim reduces the financial burden an owner would experience if the claims were reviewed and settled in the normal course of business. She stated that once granted, the hardship status remains in effect for a two-year period, after which the owner may reapply for hardship status.

Ms. Deshineni stated that, in determining hardship status, the application and a minimum of two years of income tax records are reviewed. She added that a U.S. EPA financial capacity test is also used to evaluate the owner's cash flow and determine whether the owner is able to carry debt, in which case, the owner could finance the costs of corrective actions over time.

Claim # 18344-0001/10/26/98, Owner – Red Stripe Associates

Ms. Deshineni reported that Red Stripe Associates is the responsible party for a 1998 release discovered at 50708 National Road, St. Clairsville, Ohio. She stated that Gary Glessner, as a member of the limited liability company, requested that the Board grant hardship status to Red Stripe Associates. Ms. Deshineni reported that this is Red Stripe Associates' twenty-first hardship request and that its current hardship status expires on June 11, 2026. She stated that the Fund has reimbursed \$455,300 for this release to date, that there are currently no claims pending review, and that the cost of corrective action work expected to be conducted over the next 24 months is estimated at \$58,000. Ms. Deshineni further reported that the property and business were sold to Sober Systems LLC at a loss in

November 2008 and that Red Stripe Associates provided financing to the new owner. She stated that Mr. Glessner reported Red Stripe Associates received the final payment from Sober Systems LLC in November 2013 and that the mortgage on the property was paid in full at that time. She noted that Red Stripe Associates is not generating additional funds but remains responsible for corrective action costs. Based on the information provided in the 2023 through 2025 tax forms, ABEL estimates less than a 50% probability that Red Stripe Associates can afford the estimated \$58,000 in corrective action costs. Ms. Deshineni stated that Red Stripe Associates is not in a position to acquire financing or manage its cash flow to self-finance ongoing corrective actions. Therefore, the Director recommended that the Board approve the application and grant hardship status to Red Stripe Associates LLC. Chairman Rocco mentioned that it appeared to be a site with free product recovery ongoing for a long time. He asked if there were any questions. Hearing none, he requested a motion to approve the hardship application. Ms. Biggs so moved, and Vice-Chairman Fleming seconded. A vote was taken, and all members voted in the affirmative. The motion passed.

Personnel Compensation

Chairman Rocco stated that the Board is required to set the Executive Director's salary because the position is not tied to the automatic increases for state employees. He noted that the negotiated union contract rate for the year was a 3% increase and suggested that amount as the starting point for discussion. Ms. Biggs asked whether the 3% increase represented a cost-of-living adjustment. Chairman Rocco responded that it was the negotiated union rate, which is generally a cost-of-living adjustment. Mr. Ridi stated that the Executive Director should receive at least the same increase as the union rate. Mr. Gordon noted that the prior year's increase had been greater than 3% and said that it should be part of the discussion. Chairman Rocco agreed and recommended that the Board consider an increase greater than 3%, noting Director Richmond's performance and leadership. Ms. Biggs stated that Director Richmond's work during the past year in managing the electronic transfer process supported consideration of additional pay. Chairman Rocco recommended using the same rate approved the prior year. After discussion, the Chairman requested a motion to approve a 5% salary increase for Director Richmond, effective June 28, 2026. Mr. Gordon so moved, and Vice-Chairman Fleming seconded. A vote was taken, and all members voted in the affirmative. The motion passed.

Certificates of Coverage – Ratifications:

Chairman Rocco called on Cindy Stauffer, Compliance Supervisor, to present the lists of owners who have been issued or denied a Certificate of Coverage for ratification by the Board.

Ms. Stauffer said the 2024, 2025, and 2026 Certificates issued lists and the 2024 and 2025 determinations issued lists represent the 2024, 2025, and 2026 program year Certificates of Coverage that have been issued or denied since the March Board meeting. She said the process used to review the fee applications and issue or deny a Certificate of Coverage includes a review for completeness to determine whether full payment was received; financial responsibility for the deductible has been demonstrated; the owner has certified with his signature that he is in compliance with the State Fire Marshal's rules for the operation and maintenance of petroleum USTs; and, if the tanks existed in previous years, a Certificate for the subject tanks has been issued to the owner in at least one of the prior two years. She said if a Certificate has not been issued in one of the prior two years and the tanks

existed during those years, the owner must comply with rule 3737-1-04.1 by demonstrating the tanks are in compliance with the State Fire Marshal's rules for the operation and maintenance of USTs.

Ms. Stauffer stated that, if the requirements are met, a Certificate is issued. She said if the requirements are not met, the Certificate is denied. She explained that if the Certificate is denied, the owner is provided with an opportunity to appeal the denial. She said that, throughout the denial process, the Board's staff works closely with the owner to resolve any deficiencies. She stated that all processes within the Board's rules and Revised Code were followed to make a determination to issue or deny the Certificates of Coverage.

Ms. Stauffer requested the Board ratify the Director's actions with respect to the issuance of the program year 2024 Certificates of Coverage for the four owners of the four facilities included on the program year 2024 Certificates issued list.

Ms. Biggs moved to ratify the issuance of the 2024 Certificate of Coverage for the facilities listed. Mr. Miller seconded. A vote was taken, and all members were in favor. The motion passed.

Ms. Stauffer requested the Board ratify the Director's actions with respect to the denial of the program year 2024 Certificates of Coverage for the 81 USTs located at the 25 facilities included on the program year 2024 Certificates denied list.

Mr. Bergman moved to ratify the denial of the 2024 Certificates of Coverage that were listed, and Vice-Chairman Fleming seconded. A vote was taken, and all members were in favor. The motion passed.

Ms. Stauffer requested the Board ratify the Director's actions with respect to the issuance of the program year 2025 Certificates of Coverage for the 101 owners of the 353 facilities included on the program year 2025 Certificates issued list.

Ms. Biggs moved to ratify the issuance of the program year 2025 Certificates of Coverage for the facilities listed. Vice-Chairman Fleming seconded. A vote was taken, and all members were in favor. The motion passed.

Ms. Stauffer requested the Board ratify the Director's actions with respect to the denial of the program year 2025 Certificates of Coverage for the 258 USTs located at the 105 facilities included on the program year 2025 Certificates denied list.

Mr. Bergman moved to ratify the denial of the 2025 Certificates of Coverage that were listed, and Vice-Chairman Fleming seconded. A vote was taken, and all members were in favor. The motion passed.

Ms. Stauffer requested the Board ratify the Director's actions with respect to the issuance of the program year 2026 Certificates of Coverage for the 145 owners of the 174 facilities included on the program year 2026 Certificates issued list.

Ms. Biggs moved to ratify the issuance of the program year 2026 Certificates of Coverage for the

facilities listed. Mr. Miller seconded. A vote was taken, and all members were in favor. The motion passed.

Confirm Next Meeting and Adjourn:

Chairman Rocco said the next Board meeting will be held on Wednesday, September 9, 2026, at 10:00 a.m.

Mr. Ridi made a motion to adjourn the meeting and Mr. Miller seconded. All members were in favor.

Note: Numbers in brackets [] were incorrectly stated at the meeting. The numbers as written reflect the correct numbers from the report materials provided at the meeting.

MEMORANDUM

To: The Petroleum Underground Storage Tank Release Compensation Board
From: Jason Anthony, Bureau Chief, BUSTR
Division of State Fire Marshal
Re: **BUSTR Report**
Date: August 28, 2026

PERSONNEL –

BUSTR has 4 vacant FTEs. One inspector and three ES2s.

ADMINISTRATION -

Responsible Party Search Project

Each fiscal cycle, BUSTR receives USEPA grant money to conduct Responsible Party (RP) searches (historical property research to identify owners and operators that are responsible for petroleum releases). This amounts to 55-57 RP searches annually. This year there are extra funds allotted to BUSTR from USEPA for us to conduct an additional 20 RP searches. To spend extra funds, BUSTR added approximately 6 more with the approval of Fiscal, bringing the total to eighty-four (84) RP searches this cycle. All three (3) vendors have completed and submitted all of the searches. Every file has been approved to meet the fiscal year deadline.

Customer Centric Activities/Service

BUSTR central office personnel are an in-office reporting structure. All customer inquiries/questions are being timely responded to by field and in-house staff. The corrective actions staff are successfully reviewing electronically submitted and hard copy submitted reports in a timely manner while the field inspection staff are performing operational compliance inspections of underground storage tank facilities. All public information requests are being timely provided to BUSTR's customers.

July 2026 Statistics	Count
NFAs For The Month	26
NFAs For FY25 (October 1, 2025 Start)	322
Report Reviews For The Month	959
Report Reviews For FY25 (October 1, 2025 Start)	12,143
On-Site Inspections For The Month	275
On-Site Inspections For This Cycle (August 1, 2025 Start)	2,553
Monthly On-Site Inspections With Violations Resulting in Informal & Formal Enforcement	188
Sites Assessed with Fine and/or Penalty (current month)	6
On-Site Inspections With Violations For This Cycle (August 1, 2025 Start)	1,981
Sites Assessed with Fine and/or Penalty (August 1, 2025 Start)	27

UST/LUST Grant Updates -

The Corrective Action Section received allocation of the LUST Grant for FY 27 from the Federal USEPA-OUST Program. The Release Prevention Section has received allocation of the UST Grant for FY 27 from the Federal USEPA-OUST Program.

TRAINING AND STAFF DEVELOPMENT –

BUSTR working on OSHA and Commerce Required Training for 2026.

TRAINING TO STAKEHOLDERS –

BUSTR is providing continuing education for Fire Safety Inspectors in the Fall of 2026. BUSTR will continue providing training to the regulated community and Delegated Fire Departments regarding the OTTER Engage Platform in 2026.

ACTIVITY -

OTTER Engage, went 'Live' July 28, 2025. The OTTER Engage database project is currently in the Genie Hours stage with meetings as needed to refine the database.

PUSTR Board Report:

STATISTICS and/or COMMENTS -

Statistic	Count as of 08/22/2026
Number of Registered Tanks	21,387
Number of Owners of Registered Facilities	3,394
Number of Registered Facilities	6,912
Number of Active Releases	2,234
Number of Active Closures	1,964
Number of Program No Further Actions	33,452

Corrective Action - No Further Action Letters (NFA)

For the Federal Fiscal Year (FFY26) which started on 10/01/2025, a total of 349 NFAs have been issued as of 8/22/2026.

Release Prevention - UST Operation Compliance Inspections

August 1, 2025, started our new three-year cycle and to date the team has completed 2,744 new federal inspections and 1,6885 re-inspections as of 8/22/2026.

PROCEDURAL BACKGROUND

This matter came on for a record hearing at 10:00 a. m. on May 28, 2026 in the boardroom of the Petroleum Underground Storage Tank Release Compensation Board at 4151 Executive Parkway, Suite 350, Westerville, Ohio 43081. Applicant/Objector H & T Chahal, LLC participated in the hearing through its legal counsel, as did the Director of the Petroleum Underground Storage Tank Financial Assurance Fund who was represented at the hearing by the Ohio Attorney General's Office through a Principal Assistant Attorney General. Both parties were afforded a full and fair opportunity to present evidence and arguments in support of their positions. The hearing concluded at 1:50 p. m. on May 28, 2026 following the presentation of oral closing arguments, at which time the hearing record was closed.

This matter proceeds under the authority of Ohio Revised Code section 3737.92(F) and in accordance with the Ohio Administrative Code and procedures required by Ohio Revised Code Chapter 119.

H & T Chahal, LLC possesses standing before the Petroleum Underground Storage Tank Release Compensation Board in this case through a written objection timely filed with the PUSTRCB on March 28, 2024, objecting to action taken by the Director of the Petroleum Underground Storage Tank Financial Assurance Fund on February 29, 2024 denying the application for PUST Financial Assurance Fund Eligibility from H & T Chahal, LLC. The March 28, 2024 objection filed on behalf of H & T Chahal, LLC as to the Director's February 29, 2024 denial of eligibility was followed by a record hearing scheduled for, convened, and completed on May 28, 2026.

This matter is properly before the Petroleum Underground Storage Tank Release Compensation Board for review and resolution.

STATEMENT OF THE CASE

Ohio Revised Code section 3737.91(A) establishes the Petroleum Underground Storage Tank Financial Assurance Fund (PUST Financial Assurance Fund).

Ohio Revised Code section 3737.90(A) establishes the Petroleum Underground Storage Tank Release Compensation Board (PUSTRCB), charging this body with the responsibility of implementing and administering Ohio Revised Code sections 3737.90 to 3737.98.

Ohio Revised Code section 3737.90(B)(2) empowers the PUSTRCB to adopt, amend, and rescind such rules as are necessary or appropriate to implement and administer Ohio Revised Code sections 3737.90 to 3737.98, statutory provisions that include the administration of the PUST Financial Assurance Fund.

On February 29, 2024 the Director of the PUST Financial Assurance Fund directed to H & T Chahal, LLC a notice letter, State's Exhibit B, stating that the Director was denying H & T Chahal, LLC's application for PUST Financial Assurance Fund eligibility based upon the two underground storage tanks in question having been out of compliance with State Fire Marshal regulations when the release at the site was first suspected and confirmed in November, 2022.¹ In this regard the Director's February 29, 2024 notice of denial letter cited Ohio Revised Code section 3737.92(D) which reads, in pertinent part, as follows:

(D) A responsible person is not eligible to receive payment or reimbursement from the fund under division (B) or (C) of this section unless all of the following conditions are met:

*

*

*

¹ The parties stipulated to the authenticity and admissibility of all of the exhibits mentioned in the hearing record and in this report. While each exhibit is labeled with the party who submitted it, the parties' agreement on the admissibility of all exhibits persuades the hearing officer to view all of the exhibits as joint exhibits.

- (6) The petroleum underground storage tank system from which the release occurred was in compliance with rules, other than rules regarding registration, adopted by the fire marshal under section 3737.88 of the Revised Code when the occurrence of the release was first suspected or confirmed.

As stated in the February 29, 2024 notice of denial letter directed to H & T Chahal, LLC by the Director of the PUST Financial Assurance Fund, a rule adopted by the PUSTRCB, Ohio Administrative Code section 3737-1-12, provides:

...deadlines for filing claim applications based upon defined completion dates of program tasks. In general, costs must be submitted to this office within one year from the program task completion date as defined within the rule...

See State's Exhibit B, page 2.

On June 1, 2017 H & T Chahal, LLC purchased a gasoline station at 110 N. Main Street, Ridgeway, Ohio, in Hardin County. Shortly after the purchase of this gasoline station H & T Chahal, LLC entered into agreements to have two gasoline underground storage tanks at the site, a 6,000-gallon gasoline underground storage tank and an 8,000-gallon gasoline underground storage tank, upgraded through a change from a suction pumping system in each tank to a pressurized pumping system in each tank. This change was believed to deliver a faster delivery of gasoline to the public and was seen as an advance in technology that consumers wanted. To this end H & T Chahal, LLC secured a modification permit from the State Fire Marshal's Bureau of Underground Storage Tank Regulations (BUSTR) on July 6, 2017. See Objector's Exhibit 5. The upgrades, costing \$55,000, were completed on August 4, 2017. During the period of time from the purchase of the station through the implementation of the two gasoline underground storage tank upgrades, H & T Chahal, LLC maintained appropriate registration on both tanks and paid an annual higher premium for a reduced deductible under the PUST

Financial Assurance Fund.²

In a letter dated October 12, 2022 from a BUSTR Environmental Specialist, State's Exhibit B-2 and Objector's Exhibit 4, H & T Chahal, LLC was notified that the dispenser modifications effected at the gasoline station under the July 6, 2017 BUSTR modification permit issued for that purpose included modifications of the containment sumps, and these modifications required a closure assessment. This October 12, 2022 BUSTR correspondence included the following:

... Your closure assessment was due on October 06, 2017. To date, BUSTR has not received this Closure Assessment report and as a result, you are out of compliance with the Ohio Administrative Code section 1301:7-9-12(I), effective September 1, 2017.
Please provide this report to BUSTR and/or contact me at (614)728-4588.
(Emphasis in original)

On October 22, 2022, H & T Chahal hired an environmental consultant to perform the closure assessment activities needed to bring the site into compliance with State Fire Marshal regulations. These activities included taking soil samples from the site at locations in close proximity to the dispensers that had been modified in July/August, 2017, and subjecting these soil samples to laboratory analyses. The soil samples collected from the site were analyzed and found to contain concentrations of chemicals of concern above action levels. Within H & T Chahal's application for PUST Financial Assurance Fund eligibility, State's Exhibit A and Objector's Exhibit 6, the date upon which the release at the site was first suspected is presented as November 1, 2022, with the release confirmed on November 16, 2022. The confirmation of the release is indicated to have been reported to the State Fire Marshal on November 16, 2022.

On December 12, 2022 a closure assessment report addressing the Ridgeway gasoline station was filed by H & T Chahal, LLC with BUSTR.

² H & T Chahal, LLC sold the gasoline station on December 7, 2022.

On April 18, 2023 H & T Chahal, LLC filed with the PUSTRCB an application for PUST Financial Assurance Fund eligibility for a release reported on this application to have been first suspected on November 1, 2022 and confirmed on November 16, 2022. This application prompted the February 29, 2024 notice letter from the Director of the PUST Financial Assurance Fund denying fund eligibility to H & T Chahal, LLC, premised on the tanks in question not having been in compliance with State Fire Marshal rules at the time the release was first suspected or confirmed. This notice of denial prompted a written notice of appeal and objection to the Director's denial. A hearing ensued on May 28, 2026 and this matter is now properly before the PUSTRCB for review and disposition.

SUMMARY OF TESTIMONY

Jonathan Maneval

Jonathan Maneval has been employed by the PUSTRCB since 2005 and currently serves as the Assistant Director of the PUSTRCB. Mr. Maneval's duties include the review of applications for PUST Financial Assurance Fund eligibility, and formulating a recommendation as to the action to be taken by the PUST Financial Assurance Fund on each application.

Mr. Maneval had reviewed the April 18, 2023 eligibility application from H & T Chahal, LLC, State's Exhibit A, an application seeking reimbursement of corrective action costs from the PUST Financial Assurance Fund. The application refers to a release first suspected on November 1, 2022, and confirmed on November 16, 2022. Mr. Maneval explained that a closure assessment report about this gas station site was submitted to BUSTR in December, 2022.

Mr. Maneval explained in his testimony that tanks one and two at the gas station had been installed in 1973 and were in operation at the time of the eligibility application filing in April, 2023.

Mr. Maneval identified State's Exhibit B as the February 29, 2026 notice of denial of eligibility

letter issued by the Director of the PUST Financial Assurance Fund to H & T Chahal, LLC. Mr. Maneval noted that this correspondence referenced the nature of the modifications made at the site in July/August, 2017, and the resulting requirement that a closure assessment be conducted and a closure assessment report filed with BUSTR. Mr. Maneval testified that the closure assessment report had been due on November 5, 2017 but had been filed on December 12, 2022, five years after the due date. Mr. Maneval stated that the lateness of the filing of the closure assessment report violated Ohio Administrative Code sections 1301:7-9-12(I) and 1301:7-9-12(J).³

Mr. Maneval confirmed that a timely objection was filed with the PUSTRCB on behalf of H & T Chahal, LLC as to the Director's denial, an objection filed on March 28, 2024, within the thirty days following February 29, 2024.

Mr. Maneval identified State's Exhibit B-1 as the BUSTR modification permit issued to H & T Chahal, LLC on July 6, 2017. Mr. Maneval stated that the PUSTRCB received a copy of this permit on July 20, 2023 from BUSTR.

Mr. Maneval referred to State's Exhibit B-1, page 5 as a BUSTR installation field inspection report noting final tightness testing at the site on August 4, 2017.

Mr. Maneval identified State's Exhibit B-2 and Objector's Exhibit 4 as the October 12, 2022 letter from BUSTR directed to H & T Chahal, LLC stating that a required closure assessment report about the modifications at the site in July/August, 2017, a report that had been due by October 6, 2017, had not been received by BUSTR. This letter stated that a closure assessment report was required to be filed with BUSTR.

Mr. Maneval identified State's Exhibit B-3 as the closure assessment report filed with BUSTR

³ Ohio Administrative Code section 1301:7-9-12(I) addresses closure assessment activities. Ohio Administrative Code section 1301:7-9-12(J) addresses the closure assessment report.

by H & T Chahal, LLC on December 12, 2022. At page 2 of the closure assessment report, under Closure Conclusions, it is noted that a Tier 1 Source Investigation is required.

Mr. Maneval identified State's Exhibit B-4 as the laboratory analyses of soil samples taken from the site and delivered to the laboratory, Summit Environmental Technologies, Inc. in Cuyahoga Falls, Ohio, for analysis on November 3, 2022. The report of the analyses of the soil samples is dated November 16, 2022. Mr. Maneval testified that the laboratory analyses of the soil samples confirmed the presence of chemicals of concern in concentrations above action levels, a circumstance requiring corrective action.

Mr. Maneval identified State's Exhibit C as the notice of appeal and objection letter from H & T Chahal, LLC contesting the February 29, 2024 denial of eligibility notice issued by the Director of the PUST Financial Assurance Fund.

Mr. Maneval identified State's exhibit D as a written acknowledgment of the receipt of the objection from H & T Chahal, LLC.

Mr. Maneval identified State's Exhibit E as a December 24, 2024 letter from the Director of the PUST Financial Assurance Fund to H & T Chahal, LLC's legal counsel explaining the Director's reasons for the denial of fund eligibility. The Director states in her letter that because a closure assessment had not been completed in a timely manner, in violation of Ohio Administrative Code section 1301:7-9-12(I), and because a closure assessment report had not been submitted in a timely manner to BUSTR, in violation of Ohio Administrative Code section 1301:7-9-12(J), the person responsible for the two underground storage tanks in question had not been in compliance with Ohio Revised Code section 3737.92 nor with Ohio Administrative Code section 3737-1-07 when the release was first suspected or confirmed.

The third paragraph of the Director's December 24, 2024 letter to H & T Chahal, LLC's legal

counsel included the following:

The objection indicates that H & T Chahal was unaware of the closure assessment requirements at the time the modification of the UST system was completed on or around August 4, 2017, and immediately used its best efforts to comply with the closure assessment requirements once it was notified of the deficiencies (October 12, 2022). The UST closure requirements set forth in O. A. C. 1301:7-9-12 are self-implementing and apply to all of Ohio's UST owners and operators. While it is unfortunate that H & T Chahal was unaware the permit-related modification activities required a closure assessment, it does not negate H & T Chahal's responsibility for complying with the subject rules.

Mr. Maneval identified State's Exhibit F as a letter scheduling the hearing in this case for October 23, 2025. The hearing was continued due to a principal in this matter requiring surgery. The hearing was rescheduled for, convened, and completed on May 28, 2026.

Under questioning by the Objector's representative, Mr. Maneval recalled studying music at The Ohio State University prior to joining the PUSTRCB staff. Mr. Maneval has spent the last eight years reviewing BUSTR reports and PUSTRCB reports.

Mr. Maneval testified that under BUSTR rules, soil samples are to be collected within twenty-four hours of excavation for upgrades.

Mr. Maneval was asked whether BUSTR routinely sent notices to holders of modification permits about the need to perform closure assessment activities and submit a closure assessment report. Mr. Maneval testified he was not familiar with that. Mr. Maneval referred to the BUSTR notice letter dated October 12, 2022, State's Exhibit B-2 and Objector's Exhibit 4, which stated that the closure assessment was due to be completed by October 6, 2017. Mr. Maneval testified that because piping had been removed a closure assessment report had been due by November 15, 2017, within ninety days of the date upon which soil samples were required to be collected. Mr. Maneval stated that a report outside the ninety-day time span after the collection of soil samples presents an action out of

compliance with State Fire Marshal rules.

Jaswinder Singh Chahal

Jaswinder Singh Chahal is the managing member of H & T Chahal, LLC. Mr. Chahal was born in India, in the Punjab, is sixty-one years of age, and came to the United States in 1996.

Mr. Chahal purchased his first gas station in 2004, a station located in Canton, Ohio. Mr. Chahal sold the Canton station and used the proceeds from that sale to purchase the gas station at 110 N. Main Street in Ridgeway, Ohio, for \$125,000. The purchase of the Ridgeway gas station occurred on June 1, 2017. The Ridgeway station was sold to Moontek, LLC on December 7, 2022 for \$225,000. See Objector's Exhibit 1, a real property record maintained by the Hardin County Auditor. Mr. Chahal stated that the two gas stations mentioned above are the only gasoline stations he owned.

Mr. Chahal recalled the upgrades that had been performed on the two gasoline underground storage tanks at the site, changing from a suction system to a pressurized system in each tank. Mr. Chahal recalled that the upgrades had been performed by Harry Grau & Sons, Inc. of Wilder, Kentucky. See Objector's Exhibits 2 and 3, a June 29, 2017 Grau & Sons, Inc. scope of work specification, and an invoice from Grau & Sons, Inc. dated August 18, 2017, for \$50,002, respectively.

Mr. Chahal testified that he had expected all of the people he had employed to perform the modifications to the two underground storage tanks to follow the law in all their actions, and had relied upon these environmental experts to ensure that their work was performed in compliance with all applicable laws and regulations. Mr. Chahal testified that until he received the letter dated October 12, 2022 from BUSTR about the need for a closure assessment and a closure assessment report due to the modifications completed in July/August, 2017, no one had informed Mr. Chahal of this requirement and Mr. Chahal had not known of the need for a closure assessment or a closure assessment report. Mr. Chahal pointed out that in other ways he has been in compliance with all State Fire Marshal and

PUSTRCB rules and would have been in compliance in this instance if only he had been made aware of the need for these actions.

Mr. Chahal pointed out that once he was informed of the needed closure assessment activities and closure assessment report he immediately hired Spence Environmental Consulting, Inc. of Pickerington, Ohio to perform the needed closure assessment work and the required closure assessment report. This work was accomplished on December 12, 2022 with the filing of the closure assessment report with BUSTR. Spence Environmental Consulting, Inc. then assisted H & T Chahal, LLC in submitting the application for PUST Financial Assurance Fund eligibility filed on April 18, 2023.

Mr. Chahal testified that he is asking for help from the government in this case because he has complied in all other ways and needs the help being requested to survive.

Mr. Chahal stated that Grau & Sons, Inc. had submitted the application for a modification permit to BUSTR.

Jason Gregory Grecco

Jason Gregory Grecco holds a bachelor's degree in geology and hydrology from Kent State University. Mr. Grecco is a partner at BJAAM, an environmental consulting firm headquartered in Canal Fulton, Ohio. BJAAM provides environmental services in Ohio, Michigan, Kentucky, Indiana, and Pennsylvania. Mr. Grecco joined the firm in 1997 as an underground storage tank technician; in 1998 he moved to a staff geologist position; in 2000 Mr. Grecco became a project manager; in 2007 Mr. Grecco became a Senior Project Manager; in 2016 Mr. Grecco became a partner in a firm that employs forty-five employees. BJAAM advises on remediation activity, brownfield sites, and BUSTR and PUSTRCB compliance. Over the years Mr. Grecco has worked on 400 to 500 underground storage tanks, with about 375 of these tanks located in Ohio.

Mr. Grecco, through H & T Chahal, LLC's legal counsel, secured from BUSTR the official records on file for the gasoline station in Ridgeway, Ohio once owned by H & T Chahal, LLC.

Mr. Grecco examined the records that addressed the work done by Grau & Sons, Inc. He found no mention in these records of the need for closure assessment activities or a closure assessment report.

Mr. Grecco identified Objector's Exhibit 5 as the modification permit from BUSTR for the upgrades at the Ridgeway gasoline station. Mr. Grecco stated that this permit appears to have been voluntarily secured as upgrades, Mr. Grecco testified, do not require a BUSTR modification permit.

Mr. Grecco testified that BUSTR sends out notices of noncompliance to those responsible persons who fail, after four to five months, to file a closure assessment report.

Under questioning by the legal representative of the Director of the PUST Financial Assurance Fund, Mr. Grecco was asked whether BUSTR had an obligation to send notice to a responsible person to remind the responsible person of the responsible person's duty to conduct closure assessment activities and prepare and file a closure assessment report. Mr. Grecco stated that BUSTR was not obligated to do so. Mr. Grecco agreed that even without notice to do so, the closure assessment activities and closure assessment report were still required to be completed and appropriately filed.

POSITIONS OF THE PARTIES

Position of the Director of the PUST Financial Assurance Fund

On behalf of the Director of the PUST Financial Assurance Fund it is noted that Ohio has laws and rules in place that bear on the ownership and operation of underground storage tanks and there are available to tank owners environmental consultants able to advise tank owners on how to remain in compliance with those laws and rules. It is emphasized, however, that the buck stops with the owner/operator of the tank or tanks at issue. The “responsible person” for the tank or tanks in question

must be held to account to show compliance with all that is required by Ohio's laws and rules on underground storage tanks containing and dispensing petroleum products.

The obligation to remain in compliance with applicable laws and rules bearing on petroleum underground storage tanks is grounded in Ohio Revised Code section 3737.92(D)(6) which provides that to be eligible for reimbursement from the PUST Financial Assurance Fund for corrective action costs for an accidental release of petroleum, the underground storage tanks involved in the release must have been in compliance with all State Fire Marshal rules adopted under Ohio Revised Code section 3737.88 at the time the release was first suspected or confirmed. It is noted that on November 1, 2022, the date upon which the release was first suspected, and on November 16, 2022, the date upon which the release was confirmed, neither tank one nor tank two at the release site had been in compliance with State Fire Marshal rules adopted under Ohio Revised Code section 3737.88 because following the modifications to the two gasoline underground storage tanks that had been completed on August 4, 2017, no closure assessment activities and no closure assessment report were completed until December 12, 2022, a date after November 1, 2022 and November 16, 2022.

It is contended that the Director of the PUST Financial Assurance Fund has presented sufficient evidence to the hearing record to support the denial of eligibility issued by the Director to H & T Chahal, LLC on February 29, 2024. At the time of the release the tanks in question had not been in compliance with State Fire Marshal rules and therefore did not qualify as eligible for reimbursement from the PUST Financial Assurance Fund.

The hearing officer is urged to recommend affirming the Director's February 29, 2024 denial of eligibility order and recommend a denial of the appeal and objection from H & T Chahal, LLC.

Position of H & T Chahal, LLC

On behalf of H & T Chahal, LLC it is noted that the modifications completed at the Ridgeway gasoline station on August 4, 2017 by Grau & Sons, Inc. had been contracted through R & R Takhar operating from Dayton, Ohio. It is pointed out that at no time did anyone from Grau & Sons, Inc. or R & R Takhar inform anyone at H & T Chahal, LLC of the need for closure assessment activities or a closure assessment report following the modifications completed on August 4, 2017. It is noted that Mr. Jaswinder Singh Chahal had trusted Grau & Sons, LLC to take all actions necessary to comply with all laws and rules bearing on what was required, including post-modification closure assessment activities and a closure assessment report.

It is contended that BUSTR has routinely provided notice to tank owner/operators about a failure to file a closure assessment report in a timely manner.

It is emphasized that in every instance in which Mr. Chahal had been aware of what was required he had chosen to do the right thing, in terms of registering the tanks, the payment of annual tank fees, and maintaining the tanks. It is claimed that it would not be equitable based upon the facts of this case to deny eligibility to H & T Chahal, LLC under the PUST Financial Assurance Fund. It is contended that fairness supports a reversal of the denial of eligibility.

The hearing officer is urged recommend that the Director's denial of eligibility be reversed and that the eligibility of H & T Chahal, LLC for reimbursement under the PUST Financial Assurance Fund be confirmed.

DISCUSSION

Ohio Revised Code section 3737.92(D)(6) reads as follows:

- (D) A responsible person is not eligible to receive payment or reimbursement from the fund under division (B) or (C) of this section unless all of the following conditions are met:

*

*

*

- (6) The petroleum underground storage tank system from which the release occurred was in compliance with rules, other than rules regarding registration, adopted by the fire marshal under section 3737.88 of the Revised Code when the occurrence of the release was first suspected or confirmed.

A rule adopted by the State Fire Marshal under the authority of Ohio Revised Section 3737.88 that is not a rule regarding registration is Ohio Administrative Code section 1301:7-9-12, a rule that establishes requirements for underground storage tank systems containing regulated substances that are changed-in-service, out-of-service, closed-in-place, or permanently removed. Ohio Administrative Code section 1301:7-9-12(I)(1)(a)(i) requires owners and operators of underground storage tank systems to conduct closure assessment activities when the UST system, or any portion of the UST system, is permanently removed, including removals resulting from modifications of product piping and associated components that routinely contain a regulated substance.

Neither party in this proceeding has disputed the necessity of conducting closure assessment activities due to the modifications made to the two tanks in question in July/August, 2017 at the Ridgeway site pursuant to Ohio Administrative Code section 1301:7-9-12(I).

Ohio Administrative Code section 1301:7-9-12(J) requires that a closure assessment report be completed and filed with the State Fire Marshal within ninety days of the date upon which soil samples are required to be collected and analyzed in carrying out closure assessment activities.

The application for PUST Financial Assurance Fund eligibility filed by H & T Chahal, LLC on April 18, 2023, State's Exhibit A, identifies the date upon which the release in question was first

suspected, November 1, 2022, and confirmed, November 16, 2022.

Ohio Revised Code section 3737.92(D)(6) demands compliance with the State Fire Marshal's rules that do not address registration on the date the release in question was first suspected or confirmed, in this case, November 1, 2022 or November 16, 2022, respectively.

A preponderance of the evidence in the hearing record proves that neither on November 1, 2022 nor on November 16, 2022 had H & T Chahal, LLC been in compliance with Ohio Administrative Code section 1301:7-9-12(I) or Ohio Administrative Code section 1301:7-9-12(J), State Fire Marshal rules adopted under Ohio Revised Code section 3737.88 that do not address tank registration. The lack of compliance in this regard bars the eligibility sought by the objector, pursuant to Ohio Revised Code section 3737.92(D)(6).

Mr. Chahal testified in this proceeding about his intention at all times to comply with the law, to do what is right. Mr. Chahal testified that the only reason the closure assessment activities and closure assessment had not been performed until December, 2022 was because none of the technical experts employed by H & T Chahal to make the modifications to the two tanks in July/August, 2017 had mentioned the need for such activities to Mr. Chahal or anyone else at H & T Chahal, LLC.

Mr. Chahal was a very credible witness at the hearing and the hearing officer finds nothing in his testimony that in any way calls into question the credibility of his testimony.

While Mr. Chahal has identified the reason for the lack of compliance proven by a preponderance of the evidence in the hearing record, his perfectly credible explanation does not avoid the consequences of the lack of compliance. Ohio Revised Code section 3737.92(D)(6) requires compliance with all non-registration related State Fire Marshal rules, rules that include Ohio Administrative Code section 1301:7-9-12(I) and Ohio Administrative Code section 1301:7-9-12(J), neither of which had been complied with by November 1, 2022 or November 16, 2022, the date the

release in question was first suspected or confirmed. While Mr. Chahal's explanation about the cause of the lack of compliance on the dates in question is fully credited, the explanation does not avoid the consequences of such noncompliance under Ohio Revised Code section 3737.92(D)(6), even without an intention to violate State Fire Marshal rules.

Accordingly, the hearing officer finds the hearing record contains a preponderance of evidence proving that on the date the release in question was first suspected or confirmed, November 1, 2022 or November 16, 2022, respectively, H & T Chahal, LLC had not been in compliance with State Fire Marshal rule 1301:7-9-12 and therefore was not eligible for reimbursement under the PUST Financial Assurance Fund. The Director's denial of February 29, 2024 is therefore recommended affirmed, and the appeal and objection from H & T Chahal, LLC is recommended denied.

FINDINGS OF FACT

1. On June 1, 2017 H & T Chahal, LLC, a limited liability company registered as such in the state of Ohio, purchased a gasoline station located at 110 N. Main Street, Ridgeway, Ohio, in Hardin County.
2. Shortly after purchasing the Ridgeway gasoline station H & T Chahal, LLC secured from the State Fire Marshal's Bureau of Underground Storage Tank Regulations (BUSTR), on July 6, 2017, a modification permit for the purpose of upgrading two underground storage tanks at the station, a 6,000-gallon gasoline underground storage tank, tank number one, and an 8,000-gallon gasoline underground storage tank, tank number two, through modifying each tank from using a suction pumping system to a tank using a more modern, more efficient pressurized pumping system.
3. The modifications to the two underground storage tanks at the Ridgeway gasoline station ordered by H & T Chahal, LLC under the July 6, 2017 BUSTR modification permit were

completed by August 4, 2017.

4. The modifications effected at the Ridgeway gasoline station included the permanent removal of certain piping and associated components that routinely contain a regulated substance.
5. Due to the nature of the modifications to the two tanks at the Ridgeway gasoline station completed on August 4, 2017, closure assessment activities and a closure assessment report were required under a rule adopted by the State Fire Marshal under the authority of Ohio Revised Code section 3737.88, Ohio Administrative Code section 1301:7-9-12.
6. On October 12, 2022 BUSTR directed to H & T Chahal, LLC written notice that BUSTR was not in possession of a closure assessment report from H & T Chahal, LLC about the modifications completed on August 4, 2017 at the Ridgeway gasoline station, a report that had been due by October 6, 2017, and directed that such a report be prepared and filed with BUSTR.
7. The October 12, 2022 correspondence from BUSTR to H & T Chahal, LLC stated that because no closure assessment report had been filed with BUSTR, H & T Chahal, LLC was not in compliance with Ohio Administrative Code section 1301:7-9-12(I).
8. On October 22, 2022 H & T Chahal, LLC entered into agreements to have closure assessment activities performed at the site of the Ridgeway gasoline station and a closure assessment report prepared and filed with BUSTR.
9. The closure assessment activities conducted at the Ridgeway gasoline station included the collection of soil samples on November 1, 2022 from locations in close proximity to the two dispensers connected to tanks one and two.
10. The soil samples collected from the Ridgeway gasoline station site on November 1, 2022 as part of the closure activities performed at the site were analyzed by a laboratory and found to

contain concentrations of chemicals of concern above action levels.

11. An accidental release of a petroleum product at the Ridgeway gasoline station was first suspected on November 1, 2022, and confirmed through laboratory analysis on November 16, 2022.
12. On neither November 1, 2022 nor November 16, 2022 had H & T Chahal, LLC been in compliance with Ohio Administrative Code section 1301:7-9-12(I), concerning closure assessment activities, or Ohio Administrative Code section 1301:7-9-12(J), concerning filing a closure assessment report. .
13. On April 18, 2023 H & T Chahal, LLC filed with the PUSTRCB an application for PUST Financial Assurance Fund eligibility, for reimbursement of corrective action costs arising from a release at the Ridgeway gasoline station first suspected on November 1, 2022 and confirmed on November 16, 2022.
14. On February 29, 2024 the Director of the PUST Financial Assurance Fund directed written notice to H & T Chahal, LLC stating that H & T Chahal, LLC's April 18, 2023 application for PUST Financial Assurance Fund eligibility was being denied because H & T Chahal, LLC had not been in compliance with State Fire Marshal rule 1301:7-9-12 in regard to tanks one and two when the release was first suspected or confirmed, in this case on November 1, 2022 and November 16, 2022, respectively.
15. On March 28, 2024 H & T Chahal, LLC caused to be filed with the PUSTRCB an appeal and objection to the February 29, 2024 decision of the Director of the PUST Financial Assurance Fund denying the eligibility application from H & T Chahal, LLC.
16. A hearing on the applicant/objector's appeal was scheduled for, convened, and completed on May 28, 2026.

CONCLUSIONS OF LAW

1. Ohio Revised Code section 3737.91(A) establishes the Petroleum Underground Storage Tank Financial Assurance Fund.
2. Ohio Revised Code section 3737.90(A) establishes the Petroleum Underground Storage Tank Release Compensation Board, charging this body with the responsibility of implementing and administering Ohio Revised Code sections 3737.90 to 3737.98.
3. Ohio Revised Code section 3737.90(B)(2) empowers the Petroleum Underground Storage Tank Release Compensation Board to adopt, amend, and rescind such rules as are necessary or appropriate to implement and administer Ohio Revised Code sections 3737.90 to 3737.98, statutory provisions that include the administration of the Petroleum Underground Storage Tank Financial Fund.
4. Ohio Revised Code section 3737.92(D)(6) provides:

(D) A responsible person is not eligible to receive payment or reimbursement from the fund under division (B) or (C) of this section unless all of the following conditions are met:

*

*

*

- (6) The petroleum underground storage tank system from which the release occurred was in compliance with rules, other than rules regarding registration, adopted by the fire marshal under section 3737.88 of the Revised Code when the occurrence of the release was first suspected or confirmed.
5. Ohio Administrative Code section 1301:7-9-12 is a rule adopted by the State Fire Marshal under Ohio Revised Code section 3737.88 that is not a rule that relates to the registration of underground storage tanks.

RECEIVED
PUSTRCB

2026 JUN 23 AM 9:30

6. On neither November 1, 2022 nor November 16, 2022 had H & T Chahal, LLC been in compliance with Ohio Administrative Code section 1301:7-9-12 in regard to tanks one and two at the Ridgeway gasoline station.
7. The lack of compliance with State Fire Marshal rule 1301:7-9-12 by H & T Chahal, LLC on November 1, 2022 and November 16, 2022 provided a lawful basis for the Director of the Petroleum Underground Storage Tank Financial Assurance Fund to deny the application for fund eligibility from H & T Chahal, LLC, pursuant to Ohio Revised Code section 3737.92(D) (6).

RECOMMENDATION

Based upon a preponderance of the evidence in the hearing record and the Findings of Fact and Conclusions of Law presented in this report, the hearing officer recommends to the Petroleum Underground Storage Tank Release Compensation Board that the February 29, 2024 denial of H & T Chahal, LLC's application for Petroleum Underground Storage Tank Financial Assurance Fund eligibility by the Director of the Petroleum Underground Storage Tank Financial Assurance Fund comprises valid state action as a matter of fact and law and the **DENIAL** is recommended **AFFIRMED**, and the appeal and objection filed by H & T Chahal, LLC on March 28, 2024 is recommended **DISMISSED**.

Petroleum Underground Storage Tank Release Compensation Board
P.O. Box 2280
Westerville, Ohio 43086-2280

Re: Written Objections of H & T Chahal, LLC; Owner No. 24079; Eligibility ID No. 0001; Release No. 33004638-N00001; Release Site: 110 N. Main Street, Ridgeway, Ohio 43345

Dear Members of the Board:

On behalf of H & T Chahal, LLC, we submit these written objections pursuant to Ohio Revised Code section 119.09 to the Hearing Officer's Report and Recommendation associated with the above referenced site and release ("Report" or "Recommendation"). The Report recommends that the Petroleum Underground Storage Tank Release Compensation Board ("Board") affirm the Director's denial of eligibility for reimbursement from the Petroleum Underground Storage Tank Financial Assurance Fund ("Fund"). The Board should reject that recommendation because it rests on an unduly rigid construction of Ohio Revised Code section 3737.92(D)(6) and fails to construe the statute in light of its text, structure, remedial purpose, and the undisputed facts in the administrative record.

The Report recognizes facts that are central to this objection: Mr. Chahal credibly testified that H & T Chahal, LLC intended to comply with all applicable requirements; that it relied on qualified contractors and environmental professionals to perform the 2017 modification work properly; that no contractor, consultant, or regulatory communication advised H & T Chahal, LLC at the time that a closure assessment and report were required; and that, once the Bureau of Underground Storage Tank Registration (BUSTR) notified H & T Chahal, LLC of the issue on October 12, 2022, H & T Chahal, LLC promptly retained an environmental consultant and completed the required work.

The Report treats any historical, non-registration compliance issue—regardless of materiality, causation, notice, prejudice, or prompt cure—as an automatic and permanent bar to eligibility. That interpretation is not compelled by the statutory text. Section 3737.92(D)(6) requires that the petroleum underground storage tank system "from which the release occurred" be "in compliance with rules" when the release was first suspected or confirmed. Properly

construed, that provision requires a meaningful nexus between the alleged noncompliance and the statutory eligibility determination, and it must be applied in a manner that advances—not defeats—the Fund’s purpose of reimbursing responsible persons for necessary corrective action costs.

Argument

I. Section 3737.92(D)(6) should be construed according to its text and remedial purpose, not as a strict-liability forfeiture provision.

The Report’s central legal error is its treatment of Ohio Revised Code section 3737.92(D)(6) as an inflexible forfeiture provision. The statute does not say that every technical violation of any non-registration rule, no matter how remote, unknown, promptly cured, or unrelated to the release, mandates denial. Instead, the General Assembly framed the statute in relation to the “petroleum underground storage tank system from which the release occurred” and the point at which “the occurrence of the release was first suspected or confirmed.” That text requires more than a mechanical search for any unresolved historical paperwork issue; it requires an eligibility analysis tied to the UST system, the release, and the statutory purpose of the Fund.

The Fund statute is remedial in operation. It exists to pay or reimburse responsible persons for necessary corrective action costs arising from accidental petroleum releases, subject to statutory eligibility criteria. Under Ohio Revised Code section 1.11, remedial laws and proceedings under them are to be liberally construed to promote their object and assist the parties in obtaining justice. The Report does the opposite: it adopts the most punitive reading available, converts a curable timing issue into a complete bar to reimbursement, and disregards the undisputed evidence that H & T Chahal, LLC acted responsibly once BUSTR identified the issue.

II. The phrase “in compliance with rules” should not be read to impose automatic disqualification for an unrelated, nonprejudicial, and promptly cured reporting issue.

The Report assumes that “in compliance with rules” means perfect compliance with every potentially applicable non-registration rule at the precise moment of suspicion or confirmation, with no room to consider the nature of the alleged violation. That construction is overbroad. Section 3737.92(D)(6) must be read in context with section 3737.92(A), which identifies the Fund’s purpose, including payment or reimbursement of responsible persons for necessary corrective action costs caused by accidental releases of petroleum. A reading that defeats reimbursement despite good-faith ownership, paid participation in the Fund, prompt reporting, prompt corrective action, and no demonstrated prejudice is inconsistent with that statutory design.

The alleged noncompliance here was not a failure to maintain release detection, corrosion protection, spill prevention, financial responsibility, registration, or operational integrity of the tanks. It was the timing of a closure assessment and report associated with 2017 modification work—an issue H & T Chahal, LLC was not informed of until BUSTR’s October 12, 2022 notice and promptly addressed thereafter. The Board should reject an interpretation that treats such a notice-and-reporting issue as categorically equivalent to substantive operational noncompliance directly bearing on release prevention or detection.

III. The Report improperly disregards the statutory context, including the Board's role and the remedial function of the Fund.

The Board is not required to adopt the Hearing Officer's recommendation merely because the Report identifies a historical closure-assessment deficiency. The Board's task is to determine whether the Director's denial should stand under the governing statutes and rules. That review necessarily includes statutory interpretation. The Report's interpretation collapses the Board's review into a single factual question—whether the closure assessment report was filed before the release was suspected or confirmed—without asking whether that fact, in context, satisfies the statutory basis for denying eligibility.

The Board should instead construe the eligibility provision in harmony with the Fund's remedial purpose and with the undisputed record. H & T Chahal, LLC obtained a BUSTR modification permit, maintained registrations, paid required fees, relied on contractors and environmental professionals, and immediately undertook the closure assessment once BUSTR raised the issue. Those facts matter because they demonstrate that this case does not involve an owner seeking to benefit from noncompliance; it involves a responsible person seeking reimbursement for corrective action after a promptly cured deficiency that was never shown to have caused, concealed, worsened, or delayed response to the release.

IV. The Director bore the burden to justify denial under the statute, and the record does not support the sweeping statutory consequence adopted by the Report.

The Director's denial must be supported not only by evidence that a closure assessment report was late, but by a legally sufficient basis for concluding that the late report disqualified H & T Chahal, LLC from Fund eligibility under section 3737.92(D)(6). The Report identifies no evidence that the timing of the closure assessment prejudiced the Board, impaired BUSTR's oversight, impeded investigation, delayed corrective action, or affected the identification or confirmation of the release. Nor does the Report identify any evidence that H & T Chahal, LLC intentionally disregarded a known requirement.

On this record, the Report's recommended result is a forfeiture disproportionate to the alleged violation. Nothing in the text of section 3737.92(D)(6) requires the Board to impose that result where the owner acted in good faith, promptly cured the issue, and no prejudice or causal connection was shown. The Board should decline to adopt an interpretation that would convert the Fund from a remedial financial-assurance mechanism into a trap for responsible owners who relied on qualified professionals and corrected an issue immediately upon notice.

V. Fairness and equity independently support rejection or modification of the Recommendation.

Even apart from the statutory-construction defects in the Report, basic principles of fairness and equity weigh strongly against affirming the denial. The administrative record does not describe an owner who ignored known obligations, concealed information, avoided regulatory oversight, or failed to respond to an environmental release. It describes an owner who obtained the relevant

BUSTR permit, paid into the Fund, maintained registrations, relied on specialized contractors and consultants, and then acted promptly once BUSTR first notified it of the closure-assessment issue.

The Report expressly credits Mr. Chahal's testimony and acknowledges that his explanation for the late closure assessment was credible. Having accepted that testimony, the Report nevertheless recommends the harshest possible consequence: **complete denial of eligibility for reimbursement**. That result is inequitable because it imposes a severe forfeiture on a responsible person who lacked notice of the issue, reasonably relied on professionals, promptly cured the alleged deficiency, and caused no identified prejudice to the Board, BUSTR, or the corrective-action process.

Fairness also matters because the Fund is financed and administered to provide financial assurance for responsible owners and operators facing corrective-action costs. H & T Chahal, LLC participated in that system and did what responsible owners are expected to do: it maintained compliance where it knew compliance was required, sought professional assistance for technical UST work, and moved quickly when the State identified a concern. Denying eligibility under these facts would not promote compliance; it would punish good-faith reliance and prompt correction.

Equity therefore supports, at minimum, modification or remand. If the Board concludes that some consequence should attach to the timing of the closure assessment report, the equitable response should be proportionate to the actual facts and any demonstrated prejudice. The record does not support the categorical denial recommended by the Report.

Requested Relief

For these reasons, H & T Chahal, LLC respectfully requests that the Board reject the Report and Recommendation, reverse the Director's denial of eligibility, and determine that H & T Chahal, LLC is eligible for reimbursement from the Petroleum Underground Storage Tank Financial Assurance Fund for the release at issue.

At minimum, the Board should modify the Report to reject the conclusion that Ohio Revised Code section 3737.92(D)(6) requires automatic denial under these facts, and should remand for further consideration under the proper statutory construction and equitable framework, including the remedial purpose of the Fund, the absence of prejudice, H & T Chahal, LLC's good-faith reliance on qualified professionals, its lack of notice, and its prompt cure following BUSTR's October 12, 2022 notice.

H & T Chahal, LLC further reserves all rights, arguments, and remedies available under Ohio law.
