

PETROLEUM UST RELEASE COMPENSATION BOARD
CORPORATE/LLP/LLC ABILITY TO PAY FEES

Overview

Ohio law assesses an annual fee on each petroleum storage tank underground on July 1. Removing, selling or discontinuing use of the tanks does not relieve the responsible person from payment of the fees assessed during the period of ownership. However, the Board recognizes some companies, including corporations, limited liability partnerships (LLP) or limited liability companies (LLC), may experience severe financial hardship and be unable to pay outstanding delinquent fees in full. Under limited circumstances, a waiver of some or all of the outstanding fees may be granted.

To be eligible to request a review of your company's financial ability to pay outstanding Financial Assurance Fund (Fund) fees, the corporation, LLP, or LLC must *not* currently own or operate petroleum USTs and a determination of no further action must have been issued by the State Fire Marshal for any release for which the corporation, LLP, or LLC was granted eligibility to claim against the Fund. If these two conditions are met, you may request a review of your company's financial ability to pay the fees by completing the attached "Application for Corporate/LLP/LLC Ability to Pay Fees" and submitting it with financial data, which demonstrates a lack of financial ability to pay the outstanding fees.

Upon receipt of the completed application and financial information, the Board's Executive Director will review the application and you will be notified of the results of the review. The Executive Director may waive the outstanding fees in whole or in part and may provide your company with the opportunity to pay the fees over time on an interest-free installment payment plan.

Because the Board is a public agency, once the application and financial information are received, it becomes a public document and is subject to any request for review from the public. It is not the Board's intent to publicize this information, however, in maintaining files that must be open to the public, the possibility exists someone else will review the application and supporting documents. If you request a review of your company's ability to pay the outstanding fees, the required financial data may not be withheld. The Board believes its request for the documents is reasonable and only documents that demonstrate the true financial condition of the corporation, LLP or LLC are being requested.

If you operate a business that is not a corporation or limited liability company or partnership and you wish to request a review of your financial ability to pay fees, please submit an *Application For Individual Ability To Pay Fees*. If you require any information to assist you with completing this application or have any questions regarding the requirements, please contact the Board's office at (614) 752-8963 or (800) 224-4659 (in Ohio only).
